

# FORMER POLITICAL PRISONER SPEAKS: TWO EVENTS WITH PETER YOUNG

## **Talk by Peter Young**

Friday, April 18, 5pm

Carnegie 06, Macalester College

1600 Grand Ave., St. Paul

Recently released from his prison term for releasing thousands of mink in 2005, veteran activist Peter Young is an emerging voice of strength through sacrifice in the struggle for animal liberation and all forms of justice. After serving two years for his role in a two week campaign of fur farm raids across the Midwest, Peter Young has recently returned to the world on this side of the fence, and brings with him an inspiring story of moving from mainstream activism to midnight raids, prison, FBI “wanted” status, and beyond.
